EXPERIENCE

Freelance Copywriter / Self-Employed

2023 - Present | Remote

- Specialise in SEO content, long-form editorial, and web copy. Drove a 30% increase in site traffic for a client through targeted SEO content.
- Bring strong research skills to every project, producing writing that is clear and accurate.
- Write Instagram captions and short-form social content.
- Conduct keyword research and contribute to content strategy.
- Apply technical writing skills to complex subject matter, making it accessible without sacrificing accuracy.
- 100% positive feedback from clients.

Lecturer / University of East London

Apr 2023 - Dec 2023 | London, UK

- Designed and delivered the Visual Analytics module for the new MA Data Journalism course, including lesson plans, interactive assignments, and assessment criteria.
- Tailored teaching to the specific learning requirements of individual students.
- Received 100% positive feedback from students on course completion.

Consultant Data Analyst / Self-Employed

Dec 2021 - Dec 2023 | Remote

- Worked with stakeholders to deliver data-driven dashboards supporting strategic decision-making.
- Led data work for the City of London's Climate Action Strategy, mapping historical and target carbon emission data to create dashboards that supported a 25% reduction in the City's own operational emissions and a 20% reduction across its supply chain.
- Developed strong problem-solving, networking, and organisational skills through self-employment.

Data Consultant / The Information Lab

Dec 2020 - Dec 2021 | London, UK

- Helped clients make sense of their data through high-quality dashboards, enabling better data-driven decisions.
- Supported and mentored colleagues, demonstrating the ability to delegate effectively and manage team workload.

ALSO

Other Writing Ongoing

- 80,000 words into a book manuscript.
- Publishes a Substack on science, philosophy, music, art, and mental health.

Writers' Group Co-host Ongoing

- Co-hosts a writers' group in Primrose Hill, running weekly sessions for 39 regular members since 2025.
- Actively listens to work and gives live feedback, helping writers sharpen structure, voice, and clarity.
- Organises and runs residential retreats in Sussex, managing venue, budget, and programme.
